

The Elba Clipper

ASC Ballots To Be Mailed This Week

Roy L. Ellis, Chairman, Agricultural Stabilization and Conservation County Committee announced that the state of nominee's has been completed in connection with ASC committee elections in Coffee County. The election will be held by mail again this year. Ballots will be mailed to all eligible voters on August 5, 1966. Voted ballots must be postmarked or returned in person to the county office by August 10, 1966. The ballots will be publicly counted at the Coffee County ASCS Office in New Brockton on August 22, 1966 at 8:00 A.M.

The chairman reminded farmers that the elections will choose three committeemen and two alternates for each community. The chairman, vice-chairman, and regular member of the elected ASC committees will also serve as delegates to the county convention to be held soon thereafter, where the ASC county committee will be chosen. The alternate committeemen will serve also as alternate delegates to the convention.

Farmers eligible to cast ballots in the election will be all those who are eligible to participate in one or more of the national farm programs which the committeemen help to administer locally.

BAND BOOSTERS

The Elba Band Boosters Club will meet in the school band room on Tuesday night August 9, purpose of this meeting is to introduce the new Elba band director, Mr. Willis Brown.

Dr. Fisher To Speak At Methodist Church

DR. GILBERT E. FISHER, left, of Union Springs, will be the guest speaker at a special meeting to be held at 7:30 Monday night, August 8th, in the Elba Methodist Church. The meeting is sponsored by the Methodist Men's Club to kick off a drive for used clothing to be used by Dr. Fisher at McKean Leprosy Hospital in Chingmai, Thailand. Dr. Fisher works in Thailand with leprosy patients for six months of each year. The other six months he spends at home with his regular practice and gathers used clothing and donations for the patients and also for the healthy children that accompany their sick parents to the colony. The Elba Men's Club is constructing a "Clothes Drop" similar to the one in Union Springs, and the clothes will be turned over to Dr. Fisher for the Thailand leprosy patients.

Editor's Note: Webster defines leprosy as "a chronic disease caused by infection with an acid-fast bacillus of the body, and especially on the face, or by the appearance of tubercloid nodules on the skin that enlarge and spread and are accompanied by loss of sensation followed sooner or later in both types by involvement of nerves with eventual paralysis, wasting of muscle and production of deformities and mutilations."

Brown Named As Outstanding Young Man Of Elba By Jaycees

Jerry Brown, right, is being congratulated by Jaycee president, Bill Fullilove, as Fullilove named Brown the winner of the title of "Elba's Outstanding Young Man of the Year" in the preliminary of the Jaycee sponsored search for the "Four Outstanding Young Men of Alabama."

Candidates were nominated by civic organizations in Elba and the final selection was made by Dr. Ralph Adams, president of Troy State College. A young man need not be a member of the Jaycees to be eligible for this honor. The only qualifications are that he be between the ages of 21 and 35 and have an outstanding record of community service.

Brown, an engineering graduate of Auburn University, has been employed at Dorsey Trailers for the past seven years. He is currently serving as Quality Assurance Manager at Dorsey.

He was active in both high school and college activities and increased his activities upon completing his college. Among his activities and affiliations are: Chairman of the Coffee County March of Dimes; President of the Elba Quarterback Club; member of the Board of Directors of the Elba Country Club; Coffee County Auburn Alumni Association; member of the Elba Masonic Lodge and the Chamber

of Commerce. He has served as President of the Jaycees, First Vice-President, Treasurer, Project Chairman, Board of Directors of the Elba Jaycees and of the U. S. Jaycees. He is State Vice-President and State Secretary. He attends the First Baptist Church of Elba.

Brown has also served as engineering counsel for Elba High School, counseling with high school students who thought they were inclined or had a desire to pursue the profession of engineering.

He will be honored at a banquet in Birmingham on August 20th at which time the state winners will be announced.

ENTRANTS in the Coffee County Farm Bureau Queen contest are shown here in an Enterprise restaurant, following their luncheon with the judges of the contest. Following the picture-taking session, the girls were interviewed by the judges. They were presented to the Farm Bureau members at the annual meeting in New Brockton, at 3:30 P.M., and the winners were announced.

Participants are from left to right: seated, Nancy Helms, selected as alternate; Teresa Wiser, Linda Jones; Evelyn Sawyer, selected Queen; Betty Lou Stanley. Back row from left are: Linda Cannon; Gwen Griswold; Claudine Bowdoin; Miranda McCall and Cheryl Clark.

Coffee County Farm Bureau Holds Annual Meeting Thursday

Frank Britt, Route One, Enterprise, was re-elected President of the Coffee County Farm Bureau at their annual meeting in New Brockton Thursday.

Phillip Martin was re-elected Vice President and Sylvia Jones was re-elected Secretary. Treasurer, Farm Bureau members and their families turned out in greater numbers than in recent years to discuss programs affecting their livelihood and also to enjoy Queen and Talent Contests of Coffee County young people.

Evelyn Sawyer, daughter of Mr. and Mrs. Glenn Sawyer of New Brockton, was selected as the Coffee County Farm Bureau Queen and will represent the county at the annual meeting in Mobile. Nancy Helms, daughter of Mr. and Mrs. Ben Helms, Route One, Enterprise, was named Alternate Farm Bureau Queen. Other contestants in the Queen Contest were Cheryl Clark, Miranda McCall, Linda Jones, Betty Stanley, Linda Cannon, Claudine Bowdoin, Gwendolyn Griswold and Teresa Wiser.

Talent Contest winners were Kaye and Pay Jones, daughters of Mr. and Mrs. James M. Jones of Goodman, and Shirley Mock, daughter of Mr. and Mrs. Lincoln Mock. Miranda McCall, daughter of Mr. and Mrs. L. B. McCall, also of Goodman, won second place in the talent.

Dr. Ray Cavender, Chairman of the Auburn Extension Resource Use Division, said that he believed that in future years the family type farm would predominate in Alabama. He pointed out that farms in the state had decreased greatly in the past ten years and that a further decrease is to be expected in the years ahead. Cavender had words of encouragement to those people on the farm who are making an effort to manage their farms in a business-like way. He pointed out that in years ahead farmers would need extra help in all areas and

especially in farm management. Farms are going to get somewhat bigger and the use of machinery will greatly increase. Cavender also pointed out opportunities for expansion in hogs, beef cattle, truck crops and forestry for coffee county farmers.

President Britt congratulated the officers and directors and members on having a successful membership year. Britt pointed out that this year's membership is approximately 60 members ahead of 1965. Opposition was voiced to the newly enacted cotton research and promotion bill (HR12322) which is a check off system whereby \$1 per bale is paid by farmers and is managed by the Secretary of Agriculture. Vice President Phillip Martin was in charge of the Queen

Martin Nominated To Run For Governor

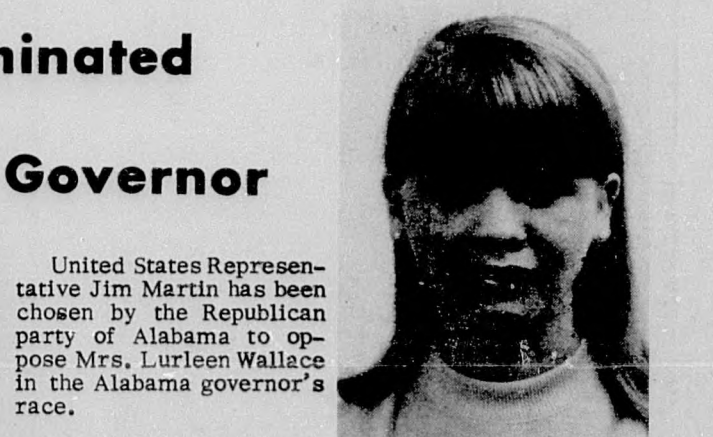

United States Representative Jim Martin has been chosen by the Republican party of Alabama to oppose Mrs. Lurleen Wallace in the Alabama governor's race.

Martin was nominated for the governor's race after an unsuccessful attempt by some GOP convention delegates to select him to run for the Congressional seat of Democrat John Sparkman. Martin promised the convention delegates that he would outdo Governor Wallace in making Alabama more prosperous.

Former state GOP party chairman John Grenier of Birmingham was nominated for the Senate and is planned by the officers Sparkman on November 8th.

State Representative Donald Collins was nominated to oppose McDonald Gallion for attorney general.

A highlight of the business meeting will be a short talk by each boy and girl that attended the annual Boy's State and Girl's State this summer.

Mrs. Donald Gibson Honored Prior To Her Recent Marriage

Mrs. Donald Gibson, the former Miss Carolyn Hussey, was delightfully entertained with a series of parties prior to her recent marriage.

The Baptist Student Center, Troy State College, was the setting for a bridal shower for which the hostesses were Mrs. Helen Rice and Mrs. Leigh Watkins.

Receiving during the evening party hours were the honoree, her mother,

Mrs. Robert Hussey, and Mrs. Calvin Gibson, of Greenville, mother of the recent groom.

Mrs. Dock Bragg, of Victoria, entertained with a miscellaneous shower in her home. Guests were greeted by the hostesses and presented to the honoree, Mrs. Robert Hussey and Mrs. Calvin Gibson.

A color scheme of pink and white was used in decorations.

Mrs. Donald Hussey poured punch and Mrs. Lloyd Jordan assisted in serving the party refreshments. Misses Margaret Wilson and Rebecca Bragg opened and displayed the gifts.

Miss Janice Inright registered the guests in the bride's book.

For the occasion, a background of piano music was presented by Miss Jane Head.

Another bridal party honoring Mrs. Gibson before her marriage was given by Mrs. Raymond Gibson, Mrs. David Bayne, of Montgomery, and Mrs. Catherine Summerlin, of Rutledge. The party was given in the Raymond Gibson home with Mrs. Gibson greeting the guests.

Receiving for this occasion with the honoree were her mother, Mrs. Calvin Gibson, Mrs. J. K. Gibson, and Mrs. R. O. Coa. Mrs. Cora Jane Hovine, of Mobile, was in charge of the register during the evening. Mrs. David Bayne and Mrs. Gene Gibson displayed the gifts. Misses Gibson served the refreshments.

A tea shower complemented Mrs. Gibson prior to her marriage. Mrs. Raymond Austin, Mrs. Ira Thompson, and Mrs. Janice Inright were hostesses for this occasion in Troy. The Austin home was beautifully decorated with a color scheme of pink and accents of green.

Guests were registered by Miss Cornelia Austin. Mrs. John Harrell and Mrs. Jerry Snider served party candies and punch.

The honoree was assisted in receiving the guests by her mother and Mrs. Calvin Gibson.

MRS. DONALD J. GIBSON Recently Wed

Home Rites Unite Miss Hussey, Mr. Gibson

The home of Mr. and Mrs. Robert Hussey was the scene of the marriage of their daughter, Carolyn Sue, to Donald J. Gibson, son of Mr. and Mrs. Calvin Gibson, of Greenville.

The Reverend Lee Johnson, pastor of the Bethlehem Baptist Church, performed the double-ring

ceremony at six o'clock on Wednesday evening, July 6th, in the presence of the immediate families.

Behind the improvised altar was a basket arrangement of mixed large pink and white chrysanthemums and pink gladioli. On each side was a standing basket of the same flowers accented with smilax. The white altar drapery was garlanded with smilax at the top and the base. The bride, on which the couple knelt for the benediction, was also draped in white and garlanded with smilax and held two white pillows.

The bride's only attendant was Miss Janice Inright, of Brundidge, maid of honor. She wore a dress of pink cotton and dacton with white accents. Her accessories and her tulle veil were in matching pink and her bouquet was of pink carnations with wide lace streamers.

Calvin Gibson served his son as best man.

Given in marriage by her father, the bride wore a street length white crepe dress designed along semi-shirt lines. Details were

long, tapered sleeves and an Eton collar of Alencon lace. Her shoulder length veil of illusion was attached to a white crepe circlet topped by an Alencon lace bow. The bridal bouquet was of white carnations and satin leaves and featured long lace streamers. The bride's only jewelry was a strand of tiny matched pearls.

A small reception was held after the ceremony.

The bride's table held a double-tiered wedding cake embossed with pink and white roses and topped with a miniature bride and groom. After the wedding cake was cut by the bride and groom, it was served by the groom's sister-in-law, Mrs. Gene Gibson.

Mrs. Donald Hussey, sister-in-law of the bride, presided at the punch service.

For a short wedding trip to Florida, the bride wore a beige knit shift dress with matching accessories and a white carnation corsage.

Mr. and Mrs. Gibson are now residing at Troy State College, where they both are employed.

FARM NEWS

By Tom Casaday, County Extension Chairman

CORN CONTEST
O. I. Cunningham of the Chamber of Commerce and L. B. McCall, chairman of our extension corn committee and I, along with Dan Presley and J. R. Speed, will attend a corn contest planting meeting in Dothan in a few days. The recent dry weather has severely cut corn yields, and I don't know whether we will have anybody making the 100-bushel corn club.

However, several growers that I have seen recently are making excellent crops of corn. Over at Kinston, Lelon Weeks, Roland Day and others are making good yields. Near Enterprise, Mr. Jim and James and Phillip Martin, Tom Hinely and several others have made good crops of early corn. But with rain things would have been so much better.

ticipate in this six weeks' shortcourse. We believe that 75-100 cattle producers will want to take advantage of this special shortcourse.

GRADED HOG SALE

We are looking for a large number of Coffee County hog producers to attend the second annual graded hog show and sale next Wednesday, August 10, at the Farmers' Livestock Co-op barn, in Elba. Dan Linton, of Auburn, will be the grading, and this special program will begin at 10:00. Dan Presley tells me that several boys have entered the 4-H and FFA hog show which will be held in conjunction with the grading demonstration. We believe that enough hogs will be brought in to have a good grading demonstration and program. You are invited whether you bring hogs or not.

TALENT AND QUEEN WINNERS

Faye and Kaye Jones, daughters of Mr. and Mrs. James M. Jones of Route one, Enterprise, and Shirley Mock, daughter of Mr. and Mrs. Lincoln Mock, placed first place in the Farm Bureau Talent Contest held a few days ago. Mirinda McCall, daughter of Mr. and Mrs. L.B. McCall, placed second. The Jones twins and Shirley will represent the Coffee County Farm Bureau at the state contest in Mobile in the fall.

Evenly Sawyer of New Brockton will make a real fine Farm Bureau Queen in September, October, and November on our long-term

NEEDS AND OPPORTUNITIES

Drexel Johnson, chairman of the Hog Producers Needs and Opportunities Committee, met this week in Elba to make plans for an expanding hog industry in the county. Committee members made up of Douglas Martin, Elmer Bryan, E. F. Henderson, O. V. Rhoades, Marvin Parker, H. L. Martin, Douglas Green, Ira Allen, and J. A. Dyess appointed by President Ira Allen met with him to formulate plans. This good leadership is going to move Coffee County ahead in the hog business.

BEEF SHORTCOURSE

Plans have been completed for a beef producers' shortcourse to be held for interested producers beginning the night of October 13 and going for two weeks through Thursday, November 17. We hope to pick a convenient location, either indoors or outdoors. The shortcourse will be a part of the extension service which will be provided by the county.

HEARING DEFECTS

Seventeen million Americans suffer from a hearing handicap. Ten percent of school children have some degree of hearing defect. Present day efforts are directed to the prevention and surgical correction of early hearing loss. It is estimated that one out of every ten persons suffers from otosclerosis. This is the formation of an overgrowth of spongy bone in the labyrinth or inner part of the ear. The bony growth prevents the stapes or stirrup from vibrating normally to transmit sound.

Deafness due to this fixation of the stapes was discovered as early as 1735. In 1938, more than two hundred years later, the fenestration operation was conceived. The fenestration operation forms an opening in the bone of the ear, and the stapes is removed entirely and replaced by a tiny polyethylene tube. As a result, bone continuity was re-established as well as the normal transmission of sound.

The stapes mobilization operation is restoring hearing to many victims

of this hearing loss.

MANRING

Nineteen Year Old Completes Training

Pvt. Maynard B. Manning, 19, son of Mr. and Mrs. Maynard Manning, Elba, completed eight weeks of military police training under the Reserve Enlistment Program at the Army Training Center, Fort Gordon, Georgia, July 22.

Upon completion of this period of active duty, he will return to his Army National Guard unit in Brantley.

Manning, a 1964 graduate of Zion Chapel High School and a former student at United Electronic School in Birmingham, was employed by Dorsey Trailers before going on active duty.

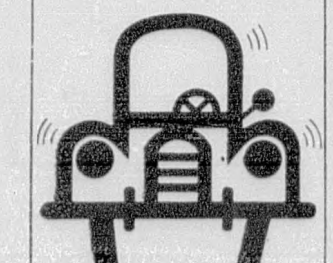

All persons nearing age 65 should apply for social security three months before their 65th birthday. This is true whether or not the worker plans to retire, according to Mr. Harry N. Scott, district manager for social security in Dothan.

A person 65 or older can qualify for both hospital and doctor bill insurance even if he continues to work full time or if he has never worked under social security. If a person wants protection under the Doctor Bill part of Medicare to be effective with the month he becomes age 65, an application must be filed early Mr. Scott stated. There is a 7 month period for signing up. This is the 3 months before 65, the month of a person's 65th birthday and the 3 following months. If a person does not file within the first 3 months of this 7 month period, he will have to wait from 1 to 3 months after he signs up for this Doctor Bill insurance to become effective.

Mr. Scott also stated that those filing more than 3 months after age 65 can qualify for Hospital Insurance only at the pre-

Something New... "The Battle Of Horseshoe Bend"

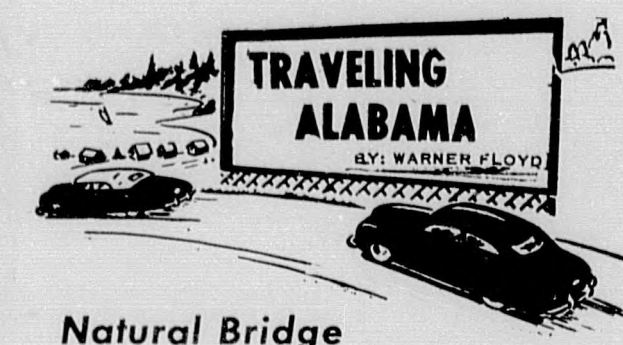

There is something new in Alabama... "The Battle of Horseshoe Bend". The Battle of Horseshoe Bend is a most unusual and entertaining attraction, depicting in miniature one of the nation's most interesting and certainly Alabama's epic historic event, according to officials.

Documented research, historical authenticity and situation study over a period of several years have gone into the building of this great attraction.

Over 3,000,000 individual pieces fashioned together by artistic hands and electronically automated to produce in sound and color one of America's prime events. A wonderful World of Miniature-USA attraction. Located at Dadeville, Alabama, US 280 and State Route 49.

The Creek Nation came to an end here in 1814 when General Andrew Jackson defeated the Red Sticks (Creeks).

Alabama farmers applied 633,000 tons of lime on their crop and pasture land in 1965, which broke all previous records of lime used in the state.

Natural Bridge

Natural Bridge, Alabama, is for that growing number of motorists who demand the "biggest and best."

This Winston County village boasts the longest natural bridge east of the Rockies. Its impressive limestone bridge spans 148 feet (long-60 feet high)-33 feet (wide). The crest

of the arch is eight feet thick. Natural bridge is also the only known twin-bridge in the world, fashioned so long, connects the main arch with the ravine side.

Lavish ferns drape the walls and grow in abundance on the floor beneath the two arches. Flowering

mountain shrubs, lichens and giant magnolias have been left in their undisturbed setting. According to botanical experts, the Canadian hemlock there may originally date to the Ice Age.

Two hundred million years ago, when the sea covered the area, the bridge was begun. The sea gradually gave way and left behind a large sand stone deposit. Then springs and streams were away the soft shale and gave Alabama one of the natural wonders of the world.

To get to this popular scenic attraction, go to Jasper or Haleyville and turn west at the Highway 278-3 junction. Paved roads lead you the other mile to the bridge.

"Your salary increase will become effective as soon as you do."

Nursing Program To Start At Trade School

The Practical Nursing Program of the General Douglas MacArthur State Trade School in Opp, is accepting applications for the next class to begin November 28th. The program is 12 consecutive months and includes such courses as: anatomy, nutrition, pharmacology, pediatrics, obstetrics, medical and surgical nursing. The courses are taught in the school and hospital experiences are in the Opp area. As an L.P.N., you can help meet your in-home needs. The only qualification is that a boy 14 years old or older be in the 9th grade; a health team. Jobs are available in many areas or may be in any grade.

Nursing Home Has Few Vacancies

The Elba Nursing Home is expected to open sometime during the first part of October according to Administrator Bill Pierce. Applications are being accepted now and a number of people who have expressed a desire to submit an application when the nursing home opens may find that there are no vacancies at that time. There are a few vacancies now but they are being filled on a first-come-first-served basis.

Economist Warns Of Danger

John Maynard Keynes, famed British economist and architect of today's "new economics", once noted: "Lenin is said to have declared that the best way to destroy the Capitalist System was to de-bauch the currency. Lenin was certainly right...The process engages all the hidden forces of economic law on the side of destruction, and does it in a manner which not one man in a million is able to diagnose..."

We can see this process at work on every day today in the United States. Government policies for many years have bred inflation. Few seem to realize that government by chronically spending more than it collects in taxes finally established a declining trend in the value of money from which there is no escape. The tendency of one group of citizens to blame another for rising prices is aided and abetted by government authorities going around the country demanding that businessmen "hold the line" on inflation by adhering to fanciful guidelines established by the very government that is fomenting inflation.

The only question is, will the people realize before they have lost their freedom, as well as their dollars, that government grants and gifts must ultimately be paid for, either in taxes or "debauched currency"?

The U.S. Department of Agriculture, in its June, 1966, report to consumers declares: "You can put extra pennies—even dollars—in your pocket if you read the grocery ads and take advantage of the specials. Home economists at the Department recently went shopping to test this theory. They were able to save 25 per cent by shopping the ads of the stores in a single neighborhood."

Driggers was killed by a shotgun blast as he approached Devine's house to serve him with a warrant sworn out by his own father, according to District Attorney Lewey Stephens, Jr., who prosecuted the case.

Attorney G. A. Lindsey, who joined Stephens as special prosecutor, declared, "Herman Driggers had no quarrel with Allen Devine. He had a duty to perform and he was shot like an animal from ambush without a ghost of a chance to defend himself."

A number of preachers and relatives were on hand to ask the governor to mercy. The preachers said Devine was "a changed man" since he was sentenced to die.

Two Local Citizens Plead Guilty Of Bootlegging

The Elba Police Department, under the direction of Chief I. F. Bo Dunaway, continued their drive against bootlegging in Elba by making a number of raids on suspected bootleggers.

They made cases against two local citizens in separate raids Friday.

Mildred Willis was arrested Friday afternoon charged and pleaded guilty Monday afternoon of possessing 1/2 gallon of moonshine whiskey. She was fined \$105 in City Court by Mayor Mullins.

Clarence Taylor was arrested Friday night for possessing 1 1/2 gallons of moonshine. He also pleaded guilty before Mayor Mullins and was fined \$105.

The entire Elba Police Department took part in these raids and Chief Dunaway, who had high praise for all his officers, stated "We are going to do our job to the best of our ability."

Allen Devine, convicted and condemned for the slaying of Elba assistant police chief Herman Driggers, was granted a reprieve by Governor George Wallace to permit his court-appointed lawyers, B.B. Rowe and Robert Cannon, to file for a sanity hearing. The lawyers admitted that their client shot the officer but claimed he was mentally deranged at the time. The date of execution was put off until September 9.
